

A Leading Provider of
Financial Literacy Education

Give Our Future Generations The Tools They Deserve!

NSLP's new, state-of-the-art, online financial literacy program, *Financial Avenue*, is designed to help young adults learn and retain the crucial principles of money management with easy to implement modules.

Modules include:

Budgeting

Credit History

Credit Cards

Contracts

Identity Theft

Financial Avenue is an affordable, flexible and completely turn-key program that can be fully customized to meet any institution's needs.

Get a demonstration today, or complete the form below and one of our Strategic Business Consultants will send you a Financial Avenue Overview Kit and schedule a demonstration.

FINANCIAL AVENUE

THE ROAD TO SMARTER MONEY MANAGEMENT

A Leading Provider of
Financial Literacy Education

Financial Literacy Education With A Personal Touch.

At NSLP, your success and the success of your students, is our passion! That's why our Accredited Financial Counselors go the extra mile to provide onsite money management seminars tailored to any audience. Our proven curriculum and insightful subjects are designed to provide a stimulating learning environment that students will be able to retain and put into practice throughout their financial life.

NSLP's Accredited Financial Counselors will also train your staff to conduct these programs yourself, so that you can educate your audience today and in the future.

Choose one or a variety of onsite sessions to bring the following subjects to life:

- 3 Easy Steps to Student Financial Success
- Avoiding Identity Theft
- Smart Credit: Choosing & Using Credit Cards Wisely
- Credit Reports & Credit Scores
- Entrance Counseling for Student Loan Borrowers
- 3 Easy Steps to Repaying Your Student Loan
- Budget? What Budget?
- Signing on the Dotted Line: What College Students Need to Know About Contracts
- Exit Counseling for Students
- Financing Your Education

Learn more about bringing these invaluable subjects to your constituents with NSLP's onsite personal money management program.

Talk to one of our Strategic Business Consultants today, or complete the form below and we will show you how we can help you lay the foundation for your students' financial success.
